

ACCESS FOR FOREIGN ORGANIZATIONS TO THE CONDUCT AESA PILOT THEORETICAL EXAMINATIONS

With the aim that students belonging to pilot training organizations that comply with art. 10 bis of Regulation (EU) 1178/2011, whose competent authority is not the Spanish CAA, can take the theoretical knowledge exams necessary to get their licences and ratings with the Spanish CAA, AESA has established the possibility that the foreign organizations can apply for the access for taking the theoretical exams of your students with the Spanish CAA through the [Form Request for access to the conduction of AESA pilot theoretical exams for pilot training organizations that comply with ART. 10 BIS of Regulation \(EU\) 1178/2011 \(ATOS/DTOS\) and Notification of Changes](#), available in the following links of AESA web site:

[Exámenes Teóricos FCL | AESA-Agencia Estatal de Seguridad Aérea - \(seguridadeaerea.gob.es\)](#)

[Organización de Entrenamiento Aprobada ATO | AESA-Agencia Estatal de Seguridad Aérea - \(seguridadeaerea.gob.es\)](#)

[Organización de Entrenamiento Declarada DTO | AESA-Agencia Estatal de Seguridad Aérea - \(seguridadeaerea.gob.es\)](#)

The requesting organization will have to fill out the application and attach the documentation required; in case of positive verification of compliance with the requirements, the competent authority will issue authorization for access to AESA pilot theoretical examinations, for which the organization must contact with the examination team through the email InfoFCL.aesa@seguridadeaerea.es.
